**INFORMATION DISCLOSURE STATEMENT**

Mail Stop Missing Parts  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, Virginia 22313-1450

Dear Sir:

Applicants hereby disclose to the Patent Office patents, publications, or other information of which they are aware, that they believe may be material to the patentability of one or more of the pending claims in this application, and with respect to which there may be a duty to disclose in accordance with 37 C.F.R. § 1.56.

**CERTIFICATE OF MAILING**  
(37 C.F.R. § 1.8(a))

I hereby certify that this paper (along with any referred to as being attached or enclosed) is being deposited with the United States Postal Service on the date shown below with sufficient postage as "First Class Mail" in an envelope addressed to: Mail Stop Missing Parts, Commissioner for Patents, P.O. Box 1450, Alexandria, VA, 22313-1450.

The items identified in this Information Disclosure Statement may or may not be "material" pursuant to 37 C.F.R. § 1.56, and the submission thereof by Applicants shall not be construed as an admission that any such patent, publication or other information referred to therein is material or considered to be material (37 C.F.R. § 1.97(h)), or even qualifies as "prior art" under 35 USC 102 with respect to this invention, unless specifically designated by Applicants as such.

In accordance with 37 C.F.R. § 1.97(g), the filing of this Information Disclosure Statement shall not be construed to mean that a search has been made or that no other material information, as defined in 37 C.F.R. § 1.56, exists.

Attached are Forms PTO/SB/08A and PTO/SB/08B, listing the patents, publications and other information that may be material to the patentability of one or more claims of the subject application. Copies of all of the listed items are enclosed for the Examiner's convenience and consideration. Applicants respectfully request that a copy of the attached Forms, as considered and initialed by the Examiner, be returned with the next communication.

Item 21 listed on the attached Form PTO/SB/08B comprises eight color photographs of a portion of a cover fastening system. The fastening system shown in these photographs is believed to be a product of Lund Industries, Incorporated of Anoka, Minnesota.

The photos include three views of a channel, two views of the channel with a piece received in the channel, and three views of the piece without the channel. A sample of this device is available for the Examiner's inspection upon request. The earliest date this device was placed on sale, sold or became known to the public is unknown, but it is believed to be early enough to be considered prior art to the subject matter of this application.

Applicants believe that no fee should be required for consideration of this Information Disclosure Statement. Should Applicants be in error, however, please charge any fee required for the consideration of this paper to counsel's Deposit Account No. 50-2468.

Respectfully submitted,

JONES DAY
